

Grant Park

MUNICIPALITY: County of Nassau

LOCATION: Sheridan Ave, Hewlett, New York

Project Description:

This project was awarded to our company in August 2011 and consisted of the replacement of three existing natural-grass baseball fields with synthetic turf along with various other upgraded site amenities.

Project Elements:

- Three regulation little league synthetic-turf fields
- Portable pitching mounds
- Perimeter fencing and covered dugouts
- Heavy-duty synthetic-turf batting cage
- Playground with poured-in-place safety surface and gazebo
- Outdoor recreation area with exercise equipment
- Precast concrete restroom, concession and storage building
- Segmental block retaining wall
- Decorative colored and stamped concrete plazas and walking paths
- Landscaping, irrigation and civil work for future field lighting
