

John Burns Park

MUNICIPALITY: Town of Oyster Bay

LOCATION: Merrick Road, Massapequa, New York

Project Description:

John Burns Park is one of Oyster Bay's premier athletic facilities. The park offers multiple athletic fields and other amenities. Laser has performed much of the recent work at this facility and upgraded numerous aspects of the park.

Project Elements:

- Oversized synthetic-turf softball field with clay home-plate area, new dugouts with roofs, bleachers and fencing
- Synthetic-turf little league field with clay and sod infield, dugouts with roofs, bleachers and perimeter fencing
- Synthetic-turf little league infield with natural-grass outfield
- Synthetic-turf T-ball field, dugouts and perimeter fencing
- Synthetic-turf practice soccer field with perimeter fencing and removable netting
- Reconstructed existing natural-grass baseball field with new warning track
- Extended sidelines of existing synthetic-turf football field and soccer field with self-contained under-drain system
- Concrete plaza area with overhead safety netting
- Electrical service for entire facility
- Precast restroom with new sanitary force main
- Repaired and resurfaced all-access roads and parking lots
